5. **Objective of the event:** Department of Physics Tulasi women's College Kendrapara in association with IQAC organized a Parents Teachers Meeting by virtual mode (Google Meet) for Hon's students on 10/05/2021. The main objective of the meeting was to create a common platform, where teachers and parents come together to discuss student's performance in devise ways to enrich their learning experience. This meeting was presided by the honorable principal Prof. Ranjit Ranjan Sahoo along with IQAC Co-coordinator Dr.Mathuri Charan Nayak.

During 11:00 am to 11.30 am, HODs introduced parents with the vision and mission of the institute and the departments along with anti-ragging rules, attendance criteria (75% according to Govt.norms), focus on quality education, library facilities and general criteria of the institute. They also highlighted the institute's best practice for effective teaching learning process and how it helps placement and higher studies. During 11:30 am to 12:30 pm, parents interacted with the HOD of physics department, IQAC Co-coordinator and also with the head of the institution. They provided specific guidelines and suggestions for each student during the meeting with the parents. The guidelines were primarily focused on students' performance in classroom and exams. The parents were informed about the students' performance during the mid Semester examination and preparation for upcoming end term examination. Discussion was focused on student's specific strengths and weaknesses in individual subjects and student discipline in physical classrooms. Total 30 parents were participated in this PTM. Parents were encouraged to appreciate student's participation in all academic activities. Parents' involvement in such institutional activities can have a significant positive effect on students' learning.

Parents are important stakeholders of education policy. PTM held by the Department of Physics Tulasi women's College Kendrapara will enhance the quality of overall growth of students and will develop a strong and healthy bond between teachers and their students furthermore it increases the faith of parents in the Institute. The PTM ended with vote of thanks by the departmental faculty member mis Diptimayee Routray.
