

PROFORMA OF EVENT

1. Name of the Department-**PHYSICS**
2. Event-**Parent Teacher Meeting**
3. Date-**10.12.2019**
4. Time:**12.30 pm**
5. **Objective of the event:** Department of Physics Tulasi women's College Kendrapara in association with IQAC organized a Parents Teachers Meeting for Hon's students on 10/12/2019. The main objective of the meeting was to create a common platform, where teachers and parents come together to discuss student's performance and devise ways to enrich their learning experience. The parents were intimated about the meeting well in advance through notice by the HOD of Department of Physics. This meeting was presided by the honorable principal Dr. Smruti Ranjan Behera along with IQAC Co-ordinator Dr.Mathuri Charan Nayak and Prof. Ajaya Kumar Rout HOD Department of Sociology.

During 12:30 pm to 1.00 pm, HODs introduced parents with the Vision and Mission of the institute and the departments along with anti-ragging rules, attendance criteria (75% according to Govt.norms), focus on quality education, library facilities and general criteria of the institute. They also highlighted the Institute's best practice for effective teaching learning process and how it helps placement and higher studies. During 1:00 pm to 2:00 pm, parents interacted with the HOD of physics department, IQAC Co-ordinator and also with the professors. They provided specific guidelines and suggestions for each student during the meeting with the parents. The guidelines were primarily focused on students' performance in classroom and exams. The parents were informed about the students' performance during the Mid Semester Exam and preparation for upcoming end term examination. Discussion was focused on student's specific strengths and weaknesses in individual subjects and student discipline in physical classrooms. Total 40 parents were participated in this PTM. Parents were encouraged to appreciate student's participation in all academic activities. PTM is an essential aspect in the modern day teaching methodology. Parents' involvement in institutional activities can have a significant positive effect on students' learning. In the short term, better performing students benefitted more from the program.

Parents are important stakeholders of education policy. PTM held by the Department of Physics Tulasi women's College Kendrapara will enhance the quality of overall growth of students and will develop a strong and healthy bond between teachers and their students furthermore it increases the faith of parents in the Institute.
